**Emotional Problems Of Youth Considered**

John Erickson of the South Bay Mental Health Department will report on the problems encountered by the County Health Department in handling the overload of juvenile cases at tonight's meeting of the Torrance Community Coordinating Council.

The council meets at the Torrance YMCA every third Wednesday. Members of organizations and interested citizens are encouraged to attend these meetings where current problems concerning the difficulties of youth in the community are discussed.

Efforts on the part of the Council have brought increased support for the Child Guidance Clinic of the South Bay Children's Health Center. The clinic is supported by fees, 7.8 per cent; United Way, 9.0 per cent; school districts 22.2 per cent; service clubs, businesses and individuals 61.0 per cent. More

support for this clinic is needed to implement the prevention of mental health problems which lead to more difficult juvenile and adult behavior problems.

For further information concerning the Torrance Community Coordinating Council call Mrs. Robert O'Betz, president, or Mrs. Milton Feinberg, chairman for mental health.
